a. Project Description:

MEMOIRS focuses on the intergenerational memories of the children and grandchildren of those involved in the decolonization processes of colonies held by France, Portugal and Belgium. Through interviews of this second and third generation, and a comparative analysis of the cultures influenced by the postmemory of the colonial wars and the end of empire, Europe's postcolonial heritage will be reinterrogated, and a new understanding of the contemporary continent will be developed. At the heart of the project is a desire to comprehend the effects of Europe's postimperial diversity through postmemories of colonial praxis.

b. Scientific field: Social Sciences

d. Work plan:

The selected researcher should have availability for frequent traveling in Portugal and abroad (France and Belgium). S/He is expected to contribute to the implementation of the project's scientific tasks, as well as to support any activities associated with the project's general goals. Especially, the selected researcher will be asked to gather, organize and analyse qualitative data (e.g. interviews, archival data, documents, etc.), carry out critical review of literature, conduct fieldwork, guarantee support in research management and networking, among other tasks needed for a sound management and implementation of the project's goals.

e. Applicable Legislation and Regulations:

Portuguese Law nº 40/2004, of 18 August (Scientific Research Fellow Statute) and successive amendments, FCT's (National Agency for Science and Technology) Regulations for Research Scholarships and Fellowships 2015 (www.fct.pt/apoios/bolsas/docs/RegulamentoBolsasFCT2015.pdf), and Regulations for Fellowships at the Centre for Social Studies ([www.ces.uc.pt/oportunidades/documentos/Regulamento de Bolsas CES 2008.pdf](http://www.ces.uc.pt/oportunidades/documentos/Regulamento_de_Bolsas_CES_2008.pdf)).

f. Work place:

Tasks will be performed at the Centre for Social Studies (Coimbra, Portugal) facilities or in other locations when necessary for the good implementation of the work plan, under the scientific supervision of the Principal Investigator.

g. Duration of the fellowship contract:

The fellowship is a full-time position for 6 months, starting in February 2018. The fellowship contract may be extended for equal or different time periods, until the end of the project, depending on the good performance of the fellow and his/her developed activities (as defined in the work plan), and on the Principal Investigator's assessment.

h. Monthly allowance:

This full-time position will have a monthly stipend of 1.600 euros. The payment of the Voluntary Social Insurance and the Personal Accident Insurance adds up to this amount.

i. Selection process:

Applicants will be selected based on their curricular evaluation. In case of equivalent curricular evaluations, the strongest applications will compose a short-list to be evaluated through an interview, conducted in Portuguese, English or French. This optional second phase of the evaluation process is meant to assess the applicants' potential in integrating the project scientific dynamic and his/her motivation in pursuing research related to the project's thematic areas. The interview will have a weight of 25% in the final grade.
