In 2019 WISPS celebrates its twentieth anniversary. To mark this important milestone we would like to invite academics conducting research into Luso-Hispanic Studies to join us and make the WISPS XX Annual Conference at Maynooth University a memorable event.

We welcome proposals from members and non-members of WISPS and from **male and female academics** as well as **postgraduate students** in the fields of feminist theory, history, linguistics, literature, cultural and textual theory, audio and film studies, performance studies, politics, anthropology, geography, queer theory, and theatre studies relating to any of the cultures of Spain, Latin America and the Lusophone world.

We invite 200-word proposals for individual papers of 20 minutes or for panels, consisting of three papers of 20 minutes. We also welcome proposals for workshops and roundtables. In WISPS we are especially interested in cross-disciplinary and inter-disciplinary work. For panels, the panel convenor should send 200-word abstracts for the three papers. Selected papers will be considered for publication with the *Journal of Romance Studies*.

Please send your proposals by **30th June 2019** via WISPSMaynooth2019@gmail.com
