

Call for Thematic Dossier **PERcursos Líquísticos Magazine** (Vol. 10, No. 25, 2020)

The **Discursos de resistência e corpos (re)existentes (Resistance and bodies (re)existing discourse)** dossier (Vol. 10, N. 25, 2020) aim is to disclose investigations that have as the main focus theoretical reflections and/or analysis with resistance and body thematic evaluated from the perspective of a discursive analysis (it may be Dialogic Discourse Analysis, French Discourse Analysis bias, Critical Discourse Analysis, Semiotics or Semiology). Researchers and PhD professors, graduate and undergraduate students co-authoring with doctors, can submit one research per author via website. We invite authors that have been accepted to the V SIED to submit their articles for an appraisal from our editorial board.

The submission should be done on the magazine website (it is required to register and to follow the guidelines for the authors, as stated by the scientific journal norms) on the following link: <http://periodicos.ufes.br/percursos/announcement/view/359>

In the submission process, it must be included in the section “Comentários para o editor” (Comments for the editor) that the research is for the “**Discursos de resistência e corpos (re)existentes**” (**Resistance and bodies (re)existing discourse**) dossier.

Articles submission deadline: **May 10th, 2020**

Publication forecast: **September, 2020**
